STAT

Dear Admiral:

Bill Hill, former managing Editor of the Evening Star in Washington, and one of our close associates in the Club, told me you did a magnificent job before the National Society of Newspaper Editors and Publishers which inspired me to again write to you to be our Fall Guy at our Charity Luncheon, September 10th, or December 11th, 1980.

As I indicated in my last discussion with you, this is a club of 150 businessmen who have as their guests members of the 3 branches of the Government.

We urge you to accept this invitation because of all of us, including Bill, see an open man with a great sense of humor who is doing a great job for us all. We would be honored to have you. I must add that it entails no work on your part. Just enjoy it and give us some brief remarks at the end.

Please let us know. If you accept, Bill and I would come over to give you a little briefing which would answer any questions.

Sincerely

Barnee Breeskin
President
